

Subject: Request for RMA Authorization Exchange - iM BANK

Dear Sir or Madam,

We, iM BANK, would like to kindly request the exchange of an RMA (Relationship Management Application) authorization with your good bank, RAIFFEISEN LANDESBANK SÜDTIROL AG (BIC: RZSBIT2B), to enable the exchange of MT 700-series messages between our institutions.

The request arises from an upcoming transaction in which our customer, ILSHIN TRADING COMPANY LIMITED, intends to have us issue an Advance Payment (AP) Guarantee in favor of the beneficiary, ELLECOSTA SRL, for the amount of USD 1,243,775.00.

In order to transmit the relevant message, we would appreciate it if your bank could establish the RMA authorization with iM BANK at your earliest convenience.

Should you require any additional information or documentation to proceed, please do not hesitate to contact us.

Thank you for your kind cooperation.

Best regards,

iM BANK
